FOUR PERSON SCRAMBLE RULES

General rules of Golf Play except as follows:

Scramble format: 1 Drive/Shot per person on Back and again on Front

Men play from the regular men's tee and women from the women's tees.

On every hole, each team member hits a tee shot, then team selects one of the tee shots from which to play, then all team members hit from that position.

Each team member may place his/her ball within one club length of selected shot, no nearer to the hole. If selected shot is played from a hazard the ball may be placed within one club length, but must remain in the hazard and placed no nearer to the hole. If selected shot is on the fringe of the green, the ball may be placed within one club length, but cannot be placed on the putting green. Each team member may improve his lie by placing the ball with his hand or by moving it with the club head. The ball is in play once the player has addressed it, or has made a stroke at it. This is repeated until the ball is holed.

Closest to the Hole: MUST BE ON THE GREEN Men #3 & Women #15

Longest Drive: MUST BE IN THE FAIRWAY Men & Women #16
